Water Days and Gardening!

Through out August we will have water days for kids, make sure to pack proper clothes!

August is Gardening Time!

We will be tending to our cucumbers, radishes and pumpkins, helping kids learn about gardening.

We are always eager to see former students, and welcome visits from them and their families. We encourage parents to come back for a visit because you are always part of the family.

Remember to refer your friends and family to our program, your support means so much to us!
