All items must be labeled with FIRST and LAST NAME including bottles, bottle caps, bottle cap rings, blankets, crib sheets, clothing and pacifiers. Pacifiers must be attached to the child's clothing. Paradigm cannot be responsible for lost or missing items. Having items properly labeled reduces the risk of lost or missing items.

Paradigm's infants are cared for on-demand. On-demand meaning fed, changed and placed in a crib to sleep as needed. They are held while being fed a bottle and placed in their own labeled crib only to when it is time to sleep. Parents are welcome and encouraged to visit their infant during the day to play with, and bottle feed or breast feed.

Infant parents are encouraged to fill out an infant daily schedule every time there is a change in your growing baby's feeding and sleeping schedule. These are on hand in the infant room.
