St. Jude Trike-A-Thon

The St. Jude Trike-A-Thon is a free educational program that teaches preschool and daycare students riding-toy safety and the importance of helping others while benefiting St. Jude Children's Research Hospital! So grab your trike and get ready to help kids with cancer while having a fun time!

Paradigm Trike-A-Thon will be held May 27th in conjunction with D&M Art Studio

A packet of Art projects will be sent home with instruction for the parents and child to work together on. Upon completing the 4(1 per week) art projects and returning to Paradigm they will receive a free Art class in the month of June at D&M Art Studio.

Red Nose Day

May 26th

May 26th is RedNoseDay . Paradigm is participating and so should you! You can help give back to your community by donating. We'd love to see your red nose!
