

# Alternate Milk Permission

**CHILD'S FULL NAME:** \_\_\_\_\_ **DATE:** \_\_\_\_\_

Paradigm serves milk to children who are in attendance for breakfast and lunch. We are required to serve children ages 12 months through 2 years of age whole homogenized Vitamin D-fortified cow's milk. For children over 2 years old, Paradigm serves Skim cow's milk. If you child has special dietary needs and must be served an alternative in place of the milk served at Paradigm, we must have this form on file.

If you are providing an alternative milk for your child, you are required to bring a commercially packaged single serving for each meal your child is in attendance for. Each individual serving **MUST** be labeled with your child's first and last name. We are only able to keep up to a one week supply of milk.

Please list milk alternative you will be providing:
